### **TURNBERRY RESTAURANT HONOURED WITH THREE ROSETTES**

**Ayrshire, Scotland:** The James Miller Room, Turnberry Resort's recently-launched contemporary dining restaurant, has been awarded by the AA in their annual release of Rosettes, the highly respected grading programme for UK restaurants.

Less than two years since it opened at the Luxury Collection Resort on the West Coast of Scotland, the elegant and intimate James Miller Room has received an outstanding three AA rosettes.

The news places the James Miller Room in the top 10% of restaurants in the UK and comes following a clutch of awards for the culinary team at Turnberry.

Executive Chef, Justin Galea, who accepted the honour at the AA Hospitality Awards 2012, held in London on Monday 24<sup>th</sup> September, commented: "We've spent the last year perfecting our menu and approach at the James Miller Room and believe that we have created a very special place which combines the right ambience with excellent cuisine. In keeping with our approach across all our restaurants and bars, we are now sourcing at least 85% of our produce from within a 40 mile radius of Turnberry. I believe that we're as local as we can be without compromising on quality, taste and flavour."

The James Miller Room, named after the Glaswegian architect who designed the original Turnberry Hotel, presents a tantalising, seasonal menu to its diners which ranges from locally-sourced langoustines, to loin of rabbit from Gigha and beef from the Cairnhill Estate.

The James Miller Room is open Tuesday – Saturday 7pm-9.30pm. Call 01655 331000 for reservations.
