Turnberry Resort Honoured by TripAdvisor Travellers

27th January 2012

Turnberry, a Luxury Collection Resort, Scotland, is delighted to have been awarded the TripAdvisor 2012 Travellers' Choice Award in the 'Top 25 Luxury Hotels in the United Kingdom' category. The resort, located on the rugged Ayrshire coast, was the top ranked Scottish resort in the results.

The Travellers' Choice Award is the highest honour a hotel can receive from the TripAdvisor community. It is awarded only to a very select and distinguished group of hotels, and is based on the reviews and opinions of millions of travellers.

Guests on the world's largest hotel review site described Turnberry as a "magical hotel," "a Jewel on the beautiful Ayrshire coast" and a "superb hotel in a wonderful setting".

Jordi Tarrida, General Manager of Turnberry commented: "We feel very proud to have been ranked so highly by our guests. We continue to strive for the very best for everyone who stays with us so it is especially satisfying to be rewarded by our customers."
